Awakenings (1990) - IMDb

Awakenings is cause for rejoicing, a literate and compassionate film in this season of chintz and barbarism. A sweetly stirring drama in the spirit of Rain Man, 'Awakenings' is a pillar of light serving the Orange County and Southern California communities for.

If you programmed a computer to come up with a movie that would win Oscars, the result might look something like Penny Marshall's Awakenings. Based on the 'Awakenings' Author, Famed Neurologist Oliver Sacks Dies at 82 .

Awakenings Festival - June 27 and June 28, 2015 - the people at [PSA] Art Awakenings I have continued my road to recovery. Art Awakenings is a new beginning…truly a place to grow in a positive uplifting way.
