Moses Maimonides

Answering Jewish Objections to Jesus: Volume 3: Messianic

Since the time of Moses, the Torah has been followed closely by the Jewish community. The Torah, which is the fifth book of the Bible, is the foundation of Jewish law and is considered by many to be the source of the Jewish faith. In this section, we will explore the Messianic Judaism movement and its relationship with the Jewish faith. We will also discuss the concept of the Messiah, as well as the role of the Messiah in Jewish thought. Finally, we will examine the relationship between the Messiah and the Jewish nation, and the ways in which the Messiah is spelled out in the Torah.

In the Mishneh Torah, Maimonides devotes much attention to the subject of the Messiah. He begins by stating that the Messiah will come to the world and that he will bring about the end of the world. He goes on to explain that the Messiah will be a just and righteous man, who will bring about the redemption of the Jewish people.

Maimonides also discusses the concept of the Messiah in relation to the world. He states that the Messiah will bring about the end of the world, and that he will bring about the end of the age of wars, famine, and discord.

In the Mishne...
The Jews are still looking for their Messiah to come. They treated Him like a conquering king. In Rambam's Mishneh Torah, a commentary of the first five books of the Bible, are some Israel to walk in [their light] and reinforce the breaches; and fight the wars of God, we may, with assurance, consider Him the Messiah.
